

Call for Papers

20th Danish International Economics Workshop

Aarhus, June 25-26, 2026

Keynotes: [Amit Khandelwal](#) (Yale), [Mathieu Parenti](#) (PSE)

We hereby invite submission of papers for the 20th Danish International Economics Workshop to be held in Aarhus, Denmark, June 25-26, 2026. The workshop will be hosted by our research center CEFAU, which was established in 2025 with the support of a donation from Købmand Herman Salling's Foundation and is physically located at the Department of Economics at Aarhus University.

The aim of the workshop is to bring together researchers working on issues in international economics. Focus will be on scientific exchange, facilitating collaborative research and contacts among researchers, as well as offering junior researchers an opportunity to present their work and establish closer contacts among researchers based in and outside of Denmark.

Papers should be submitted electronically by March 1, 2026, to Malene Vindfeldt Skals (malska@econ.au.dk) in PDF format only; decisions will be made on March 15. The only requirement in terms of topics is that papers should have at least one JEL code of category F. Please also indicate whether you would accept to be a discussant.

The core program of the workshop will run on both Thursday and Friday at the Aarhus International Sailing Center.

Please note that the organizers will book and cover accommodation costs for up to three nights in Aarhus and cover all conference costs and a conference dinner on June 25. Participants must cover their own travel costs.

For further information, please contact the organizing committee: Michael Koch (mkoch@econ.au.dk) or Luca Macedoni (luca.macedoni@unimi.it).
