We hereby invite submission of papers for the XVI<sup>th</sup> Danish International Economics Workshop to be held in Aarhus, Denmark, June 7-8, 2022. The aim of the workshop is to bring together researchers working on issues in international economics. Focus will be on scientific exchange, facilitating collaborative research and contacts among researchers, as well as offering junior researchers an opportunity to present their work and establish closer contacts among researchers based in Denmark and international researchers in the international economics field.

Papers should be submitted electronically by March 15, 2022, to Anne Lisberg Lundby ([alundby@econ.au.dk](mailto:alundby@econ.au.dk)) in PDF format only; decisions will be made on April 1. The only requirement in terms of topics is that papers should have at least one JEL code of category F. Please also indicate whether you would accept to be a discussant.

The core programme of the workshop will run on both Tuesday and Wednesday.

Please note that participants – with or without papers – must cover their own travel and accommodation costs. The organisers cover all conference costs and a conference dinner on 7 June.
